SECURITY MATTER - C  
Your file 100-23981

Reurlet of 4-20-48, which reflects that the subject has been a Communist Party member since 1935 and in which you refer to the report of Special Agent John J. Killen, dated 8-16-44.

This report, the only one in the Bureau's files, reflects only that the subject was a Party member as of 12-10-43. No other Communist activities have been reported.

In addition, your letter states the subject's business address to be "tool designer", which address would be of little assistance in locating the subject for apprehension.

Accordingly, no security index card is being prepared at this time.

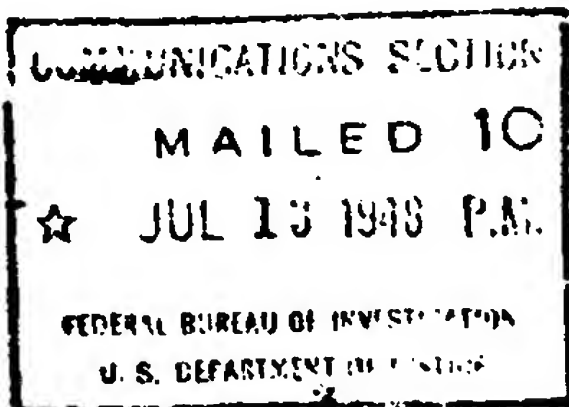

If you have in your possession or should receive in the future any additional information indicating that the subject presently is a Communist Party member or more recently has engaged in Communist activities, a report should be submitted together with another Form FD 122.

The Bureau then will reconsider your recommendation.

an engineer working on the project who had less seniority.

GRANT advised he asked the Subject how he could take a \$60.00 cut in salary. The Subject replied that he was independently wealthy and that his wife was working.

GRANT advised that the Subject was born on November 15, 1918, in New York City. He has resided since 1946 at 73 South Walnut Street, East Orange, New Jersey. He is a Navy veteran, a graduate of New York University, New York City, is married to STELLA HOPE PAGE, and was formerly employed at Material Arsenal, War Department, Watervliet, New York.

A review of the file reflects that the following information has been obtained on the Subject since reference report was submitted.

On July 7, 1944, Confidential Informant T-1 advised that the Subject was carried on the rolls of the Communist Political Association of Newark, New Jersey, in an "on leave status".

Confidential Informant T-2 advised that the Subject was acquainted with LAWRENCE MAHAN, State Party functionary, even before they were introduced. The Informant gained the impression that PAGE was afraid of MAHAN and probably that MAHAN was responsible for the Subject having been "put over the bumps". The Informant could not elaborate on this information. The Informant gained the impression that PAGE had been subject to Party discipline.

Confidential Informant T-3 advised that the Subject was a member of the Communist Political Association, Newark, New Jersey, in 1944. At that time he was on leave, was a member of the Orange Branch, his residence was 73 South Walnut Street, East Orange, New Jersey, and that he had requested no mail be sent to his home. His occupation was a tool designer, he was 26 years of age, had a nationality origin of Russian-Jew. He entered the party in 1935.

Confidential Informant T-4 advised that a letter sent to the Subject on December 28, 1945, by GABE BLOKSBERG who at that time was Chairman of the Essex County Veterans Committee.

The letter is as follows:

"Dear Comrade:

"Quite a number of Communist Vets have returned to Essex County. This gives us the forces for developing a program of action around the veterans issues.

NK 100-238  
MCD

"Such activities however must be organized. It is with this in mind that I'm asking you to attend a meeting at 40 Clinton Street on Wednesday, January 2, at 8:00 PM. The purpose will be to organize a veterans commission to plan and develop the work.

"Make every effort to attend. If you find it impossible to be present, please call me and let me know.

Comradely yours,

Gabe Bloksberg  
For the County Committee"

Confidential Informant T-2 confirmed the fact that the Subject was in the veterans commission and was a representative from the Orange Branch. This confirmation was made on January 22, 1946.

Confidential Informant T-5 advised that the Subject and his wife were members of the Orange Club of the Communist Party, Essex County, New Jersey, as of July 1, 1946. The Informant advised that the Subject had requested that no mail be sent to him.

This same Informant was again contacted on February 2, 1947, at which time the Informant stated that the Subject and his wife were unofficially connected with the Orange Branch of the Communist Party and were members of the Professional Club of the Essex County Party.

The Informant advised that the Subject was very active in the American Veterans Committee but did not attend meetings.

The Informant advised that the Subject and his wife were still residing on South Walnut Street in East Orange.

For the information of the New York Office, the Subject was born at New York City on November 15, 1918, as Marcus Pogarsky. His name was changed legally to MARK PAGE on August 15, 1940, by the City Clerk in New York City. No information has been developed regarding his background prior to his coming to New Jersey.

Employment records at George Scher Engineering Company, 115 First Street, New York City, and Westinghouse Manufacturing Company, Bloomfield, New Jersey, indicate the following work record:

the Communist Party. EISENBERG, according to Newark T-2, explained that the work would concern such plants as the Bell Telephone Company and Public Service. Newark T-2 stated that PAGE indicated he was attending New York University three or four nights a week, but that he was otherwise unemployed and felt he could contribute his engineering experience and training to the work, inasmuch as he had been employed by large firms in New Jersey for the past twelve years.

Confidential Informants Newark T-3 and T-4, of known reliability, stated that AL EISENBERG is New Jersey State Educational Director of the Communist Party and former organizer for the Communist Party in Passaic County, New Jersey. T-3 and T-4 further advised that EISENBERG in early 1949 set up a Communist Party front organization known as the New Jersey Research Bureau with offices at 38 Park Place, Newark, New Jersey, which is the same address as the New Jersey State Headquarters of the Communist Party. The Informants mentioned that this organization is apparently endeavoring to solicit many kinds of research information, possibly to be used in Communist Party propaganda.

By letter dated July 25, 1949, the New York Office advised that the records of the Recorder, School of Engineering, New York University, Uptown Division, contained verification of the Subject's attendance at New York City School of Engineering evening session. The record indicated that the Subject would receive an engineering degree (mechanical engineering) in the summer of 1950 if he continues to regularly attend classes the remainder of the time. The record reflected that the Subject registered at New York University in September, 1940, attended a short time and then discontinued his attendance for personal domestic reasons. The Subject returned in 1946 to continue his studies in mechanical engineering.

The record further reflected the Subject's birth date as November 15, 1918 in New York City, that he is a GI student, ASN 9093710, and that his father, DAVID PAGE, listed as a naturalized citizen and his mother, ~~SARAH~~ ~~PAGE~~, nee ~~TOI~~, were both born in Ukraine. Other background information indicated that the Subject is married and at the time of registration, was employed in the engineering firm of Manning, Maxwell and Moore, Jersey City, New Jersey.

MRS DAVID PAGE

Past employment was reflected as a tool designer for George Scher Engineering Company, assigned to the Wright Aeronautical Corporation. His

NK 100-2388

address was reflected as 73 South Walnut Street, East Orange, New Jersey. He had, according to the record, at one time, around 1942, resided at 12 Dession Avenue, Troy, New York. It also disclosed that the Subject graduated Seward High School, New York, New York; that he attended the College of the City of New York from 1934 to 1938, and that he speaks German and French.

A review of the records of the Manning, Maxwell and Moore Company, Jersey City, New Jersey, reflects that the Subject was employed in the Aircor Division of that corporation until February, 1949, when the division was moved to Bridgeport, Connecticut.

[REDACTED] it was determined that PAGE is now employed by the Ideal Novelty and Toy Company, Inc., 164 Jamaica Avenue, Jamaica, New York, and that he continues residence at 73 South Walnut Street, East Orange, New Jersey.

DETAILS:

AT BRIDGEPORT, CONNECTICUT

Mr. KARL H. PECH, Development Engineer, MANNING, MAXWELL & MOORE CO., 11 Elias Street, Bridgeport, Connecticut, advised that he was Chief Engineer for the MANNING, MAXWELL & MOORE AIREX DIVISION in Jersey City and he knew subject from approximately November, 1948 to February, 1949. He advised that PAGE was referred to him for employment by the TECHNICAL SERVICE AGENCY, INC., 217 Broadway, New York. He believes the individual referring PAGE to him for employment was a Mr. PATTERSON. He advised that he knew PAGE primarily as an employee but had visited his home on one occasion and had on several occasions driven PAGE in his car to the bus or subway. He advised that when the company moved to Bridgeport, PAGE did not wish to leave New York and his employment was terminated. He stated that he had never noticed anything about PAGE, nor did PAGE ever say anything to him that would indicate in any way that PAGE was connected with any subversive or un-American groups. He believed PAGE to be honest and sincere and one who stood for truly Democratic principles. He stated that from his knowledge of PAGE, it seemed that PAGE believed in the capitalistic system but had evidenced some interest in cooperative. He further advised that he felt from conversation with PAGE that PAGE because he was Jewish felt that he belonged to a minority group and felt that he was subject to certain intolerances because of the fact that he belonged to this group. He further advised that he recalled that PAGE spoke about discrimination against minority groups especially in housing developments. He recalled that PAGE was active in a Veterans group who were working for better housing and PAGE had advised that he had attended some meetings concerning housing and had spoken at these meetings, setting forth his views on the housing situation. Again PECH stated that PAGE seemed sincere in his ways and seemed to want to gain his end in a purely democratic way. He recalled that PAGE had mentioned that he was opposed to the lobbyists and that there should be better representation in the Government for the majority. PECH stated that he knew none of PAGE'S outside associates.

Mr. PECH concluded by stating that so far as he knew, PAGE was in his opinion a good American, who had wanted to make certain changes in a purely democratic way. PECH advised that there were only about four fellows who worked in the same division with PAGE in New Jersey and they were BOB SPICER, who is presently at the Bridgeport plant, MURRAY LINGBER, who resides in New York and ANGELO DI BELLA, who also resides in New York. Mr. PECH stated that there was no one by the name of ROBERT PROPER employed in the Engineering Department by MANNING, MAXWELL & MOORE in New Jersey to the best of his knowledge.

Mr. PECH checked his records and advised that his records showed the following background information on PAGE:

PAGE was graduated from Seward Park High School, New York in 1934. He attended part time and evenings, City College of New York, Rensselaer Polytechnic Institute, Troy, N.Y. and New York University. He received a certificate in tool designing from Rensselaer Polytechnic Institute

65-1365

in 1940. He was a senior member of the American Society of Tool Engineers. He was a United States Navy veteran with an honorable discharge and had reached the rank of Technician in Electronics and Radar. He served in the Navy from June, 1944, until October 1945. He listed the following former employment:

- 1931-1936 - B. GREENGLASS, a master machinist in New York City;
- 1936-1938 - CHUOMO AERO DEVELOPMENT, New York City;
- 1938-1939 - WILLIAM AERO RESEARCH CO., New York City as an engineer;
- 1939-1940 - The AMERICAN STANDARD WATCH CO., Woodside, Long Island, as an engineer
- 1940-1941 - Watervliet Arsenal, Watervliet, New York, as a senior tool and gauge designer;
- 1941-1946 - GEORGE SCHER ENGINEERING CO., Newark, N.J., as a tool engineer;
- 1946-1948 - WESTINGHOUSE ELECTRIC CORPORATION, Bloomfield, N.J. as an engineer.

Mr. PECH advised that he presently resides at 101 Louisiana Avenue, Bridgeport, but he is making a change in employment at the end of the month and after that time can be located through ELECTROL, INC. of Kingston, N.Y.

Mr. CHARLES GARLAND ROPER, an engineer in charge of the AIREX HYDRAULIC DIVISION of MANNING, MAXWELL & MOORE CO., Bridgeport, advised that he had never been in the New Jersey plant and he had no knowledge of MARK PAGE.

ROBERT C. SPICER, Development Engineer at the MANNING, MAXWELL & MOORE CO. who resides at 31 Fairview Avenue, Stratford, Connecticut, advised that he was employed in the New Jersey plant from December 1948 to February 1949 as a test engineer. He advised he knew MARK PAGE as a fellow-employee but PAGE was doing design engineering and he did not come in close contact with him. He could furnish no information of value concerning PAGE.

FROM: SAC, NEWARK  
SUBJECT: MARK PAGE, wa. Marcus Pogarsky  
ESPIONAGE - R  
(Bureau File 100-332133)

DATE: August 30, 1950

Reference is made to report of SA THOMAS M. O'CONNOR dated 8/22/50 at Newark which sets forth background information concerning the subject. Reference is further made to New York teletype dated 7/24/50 which advised that the investigation of PAGE should be aimed at an early interview.

It is believed that a review of reference report reflects that sufficient background information is available to conduct an interview of the subject at this time. Authority is requested of the Bureau to authorize an interview with PAGE at the earliest possible date.

It is further suggested that it might be desirable to have an Agent from the New York Office, who is familiar with the JULIUS ROSENBERG investigation and its ramification, present at this interview.

A review of instant file reflects that subject's current employment has not been established, and that the most recent information developed as to his Communist Party membership is as of October, 1948.

You should ascertain subject's present employment and also determine whether he is presently active in Communist Party activities. Thereafter resubmit your recommendation as to interviewing him.

Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI  
FROM : SAC, New York  
SUBJECT: MARK PAGE, was.  
ESPIONAGE - R

DATE: September 15, 1950

On September 11, 1950, Special Agents FREDERICK C. BAUCKHAM and JOHN W. LEWIS interviewed Mrs. EMMANUEL MELVIN GREENBAUM, nee RUTH MARKOWITZ, 73 Willet Street, New York City, telephone AL 4-6318.

Mrs. GREENBAUM is the sister of MARK PAGE's wife STELLA. Mrs. GREENBAUM furnished the following information:

She said that she, herself, had joined the Stuyvesant Branch of the Young Communist League, New York City, in 1936 and remained in that Branch for about eighteen months, when she transferred her membership to the Club Malreaux on Clinton Street, New York City. She said she continued her membership there until the Hitler-Stalin Pact in 1938, at which time she lost all faith in the Communist movement and discontinued her affiliation.

She said that when her sister STELLA married MARK PAGE the PAGES had lived with JULIUS and ETHEL ROSENBERG in an apartment in Brooklyn and through that relationship she had become acquainted with the ROSENBERGS as well as DAVID and RUTH GREENGLASS.

She said that both MARK and STELLA PAGE had been active in Communist Party circles during the late 1930s, but had broken off with all of their friends on the Lower East Side of New York City when they moved to New Jersey about ten years ago. Mrs. GREENBAUM said that she was fairly certain that neither MARK nor STELLA had been active in the Communist Party in New Jersey.

Mrs. GREENBAUM advised that recently RUTH GREENGLASS had come to her and told her that if MARK PAGE were involved in espionage it would be to his advantage to make a complete disclosure to the FBI. Mrs. GREENBAUM subsequently spoke to her mother, Mrs. MAX MARKOWITZ, who also resides at 73 Willet Street, New York City, who had come to New Jersey to visit MARK and STELLA PAGE and she told them what RUTH GREENGLASS said. At that time MARK told Mrs. MARKOWITZ that he was not involved in espionage and MARK subsequently came to New York City to see Mrs. GREENBAUM and told her that he was not entirely in the clear in this matter. He said, however, that Mrs. GREENBAUM had

no business meddling in PAGE's business and that the less she knew about PAGE's business the better off she would be. MARK PAGE told Mrs. GREENBAUM that she should keep her mouth shut because she is also involved. Mrs. GREENBAUM then told MARK PAGE that her former membership in the Young Communist League does not make her a spy, to which MARK PAGE replied, "That's what you think." MARK PAGE told Mrs. GREENBAUM that the only way he could have been involved with JULIUS ROSENBERG was because he was supposed to have obtained some equipment for ROSENBERG at one time several years ago and that there had been a fight over this matter and that PAGE had discontinued his friendship with ROSENBERG.

Mrs. GREENBAUM said that MARK PAGE told her he could never be a traitor to the United States. Mrs. GREENBAUM stated that although she has no regard for MARK PAGE and no respect for his ideals, she believes that he is not a spy.

Mrs. GREENBAUM advised that during the Spanish Civil War MARK PAGE had recruited numerous persons to fight for Loyalist Spain, but when she asked him why he didn't go to fight for Loyalist Spain MARK replied that he was much too important an individual and should remain in the United States to further his career.

*Mr. + 177131*  
Mrs. GREENBAUM advised that her sister, ~~LEONA REDMAN~~ and the latter's husband, MORRIS REDMAN, had been at odds for several years. She also said that her sister, SYLVIA MARKOWITZ has never been friendly with MARK PAGE.

she knew that MARK PAGE was interested in Communism, she had no personal knowledge as to how involved he was or whether he was actually a member of the Communist Party. She stated that neither her husband or herself had ever been connected with the Communist Party. She also advised that although she had been introduced to JULIUS ROSENBERG, who is under indictment for conspiracy to commit espionage, by DAVID and RUTH GREENGLASS, she had never met any of their friends. She also included in this friends of both DAVID and RUTH GREENGLASS and JULIUS and ETHEL ROSENBERG.

On August 17, 1950, MORRIS RUDIAN appeared at the New York Office and was interviewed by SA RICHARD MINIHAN and the reporting agent, who(?) advised that he had been born April 28, 1924 at New York City, and graduated from the College of the City of New York in January, 1950, where he had been attending night school. He advised that his profession was the tool and die business and at the present time he was unemployed. He advised that he had been friendly with DAVID GREENGLASS primarily through his wife, LEONA, and also had worked with GREENGLASS at the Peerless Products Company in March, 1943. He stated that he gave the G & R Engineering Company, the B. Greenglass Company and the Pitt Machine Products Company as former employers for the purpose of obtaining positions whereby a certain amount of experience was necessary, although actually he had never worked at any of these companies more than possibly one or two days at any time. He stated he did this with the consent of JULIUS ROSENBERG and DAVID GREENGLASS.

He also affirmed the information given by his wife that he was unfriendly with the PAGES and not on speaking terms with them. He stated that in 1945, when PAGE was in the Navy, he, (PAGE), telephoned him in Barberton, Ohio and told him that he was giving their address as his destination for leave, but actually he was going to New Jersey to visit his (PAGE'S), wife. He further stated that PAGE never did visit them personally in Barberton, Ohio.

He further advised that to his knowledge he did not think that PAGE and JULIUS ROSENBERG were very friendly, and that they had not apparently got along together for the last five or six years. He said that at the various times that he had been in PAGE'S home, he had never seen any Communist Party literature and had never seen any indication that PAGE was connected with the Communist Party. He said at one time he went to JULIUS ROSENBERG'S apartment, 10 Monroe Street, New York City, for the purpose of meeting DAVID GREENGLASS, but when he got there GREENGLASS was not present.

NY 100-91484

However, PAGE and his wife were there, and although he only stayed for a few minutes, PAGE or JULIUS ROSENBERG, he was not sure which one, introduced him to PAUL WILLIAMS and advised him that PAUL WILLIAMS had been a flyer for the Abraham Lincoln Brigade in Spain. He completed the interview with statement that although PAGE was a very egotistical person and in his mind a "big bluffer", he did not believe that PAGE would get himself involved in any espionage activity.

On September 11, 1950, SA JOHN W. LEWIS and the reporting agent interviewed Mrs. EMMANUEL MELVOR GREENBAUM, nee RUTH MARKOWITZ, 73 Willet Street, New York City. Mrs. GREENBAUM advised that she was the sister of MARK PAGE'S wife, STELLA, and that her other sisters were LEONA RUDMAN and SYLVIA MARKOWITZ. She stated that she, herself, had joined the Stuyvesant Branch of the Young Communist League, New York City, in 1936, and remained in that branch for about 18 months, when she transferred her membership to the Club Malreaux on Clinton Street, New York City. She said she continued her membership there until the Hitler-Stalin Pact in 1938, at which time she lost all faith in the Communist movement and discontinued her affiliation. She said that her sister, STELLA, married MARK PAGE and that they lived with JULIUS and ETHEL ROSENBERG in an apartment in Brooklyn, and through that relationship she had become acquainted with the ROSENBERGS, as well as DAVID and RUTH GREENGLASS. She said that both MARK and STELLA PAGE had been active in Communist Party circles during the late 30s, but had broken off with all of their friends on the lower East Side of New York City when they moved to New Jersey about 10 years ago.

Mrs. GREENBAUM further stated that she was fairly certain that neither MARK nor STELLA had been active in the Communist Party in New Jersey.

Mrs. GREENBAUM also stated that recently RUTH GREENGLASS had come to her and told her that if MARK PAGE was involved in espionage it would be to his advantage to make a complete disclosure to the FBI. Mrs. GREENBAUM subsequently spoke to her mother, Mrs. ~~MARK~~ MARKOWITZ, who also resides at 73 Willet Street, New York City, who went to New Jersey to visit MARK and STELLA PAGE, and at that time told the PAGES what RUTH GREENGLASS had said. PAGE, at that time, told Mrs. MARKOWITZ that he was not involved in espionage. MARK PAGE subsequently came to New York City to see Mrs. GREENBAUM and told her that he was entirely clear in this matter. He said, however, that Mrs. GREENBAUM had no business meddling in his (PAGE'S) business and that the less she knew about his business the better off she would be. MARK PAGE

further told Mrs. GREENBAUM that she should keep her mouth shut because she is also involved. Mrs. GREENBAUM then told MARK PAGE that her former membership in the Young Communist League did not make her a spy, to which MARK PAGE replied, "That's what you think." MARK PAGE, according to Mrs. GREENBAUM, further stated that the only way he could have been involved with JULIUS ROSENBERG was because he was supposed to have obtained some equipment for ROSENBERG at one time several years ago, and that there had been a fight over this matter and that PAGE had discontinued his friendship with ROSENBERG.

Mrs. GREENBAUM further advised that during the Spanish Civil War MARK PAGE had recruited numerous persons to fight for Loyalist Spain, but when she asked him why he didn't go to fight for Loyalist Spain, PAGE replied that he was much too important an individual and should remain in the United States to further his career.

*NEE MARKOWITZ*

Mrs. GREENBAUM also advised that her sister, LEONA ~~EDMAN~~, and her husband, MORRIS ~~EDMAN~~, had been at odds with the PAGES for several years. She also said that her sister, SYLVIA ~~MARKOWITZ~~, had never been friendly with MARK PAGE and would have nothing to do with him. Mrs. GREENBAUM concluded the interview by saying that MARK PAGE had told her he could never be a traitor to the United States and that although she has no regard for MARK PAGE and no respect for his ideals, she does not believe he could be a "spy."

NY 100-91484

However, PAGE and his wife were there, and although he only stayed for a few minutes, PAGE or JULIUS ROSENBERG, he was not sure which one, introduced him to PAUL WILLIAMS and advised him that PAUL WILLIAMS had been a flyer for the Abraham Lincoln Brigade in Spain. He completed the interview with statement that although PAGE was a very egotistical person and in his mind a "big bluffer", he did not believe that PAGE would get himself involved in any espionage activity.

On September 11, 1950, SA JOHN W. LEWIS and the reporting agent interviewed Mrs. EMANUEL MELVIN GREENBAUM, nee RUTH MARKOWITZ, 73 Willet Street, New York City. Mrs. GREENBAUM advised that she was the sister of MARK PAGE'S wife, STELLA, and that her other sisters were LEONA RUDMAN and SYLVIA MARKOWITZ. She stated that she, herself, had joined the Stuyvesant Branch of the Young Communist League, New York City, in 1936, and remained in that branch for about 18 months, when she transferred her membership to the Club Malreaux on Clinton Street, New York City. She said she continued her membership there until the Hitler-Stalin Pact in 1938, at which time she lost all faith in the Communist movement and discontinued her affiliation. She said that her sister, STELLA, married MARK PAGE and that they lived with JULIUS and ETHEL ROSENBERG in an apartment in Brooklyn, and through that relationship she had become acquainted with the ROSENBERGS, as well as DAVID and RUTH GREENGLASS. She said that both MARK and STELLA PAGE had been active in Communist Party circles during the late 30s, but had broken off with all of their friends on the lower East Side of New York City when they moved to New Jersey about 10 years ago.

Mrs. GREENBAUM further stated that she was fairly certain that neither MARK nor STELLA had been active in the Communist Party in New Jersey.

Mrs. GREENBAUM also stated that recently RUTH GREENGLASS had come to her and told her that if MARK PAGE was involved in espionage it would be to his advantage to make a complete disclosure to the FBI. Mrs. GREENBAUM subsequently spoke to her mother, Mrs. MAX MARKOWITZ, who also resides at 73 Willet Street, New York City, who went to New Jersey to visit MARK and STELLA PAGE, and at that time told the PAGES what RUTH GREENGLASS had said. PAGE, at that time, told Mrs. MARKOWITZ that he was not involved in espionage. MARK PAGE subsequently came to New York City to see Mrs. GREENBAUM and told her that he was entirely clear in this matter. He said, however, that Mrs. GREENBAUM had no business meddling in his (PAGE'S) business and that the less she knew about his business the better off she would be. MARK PAGE

NY 100-91484

further told Mrs. GREENBAUM that she should keep her mouth shut because she is also involved. Mrs. GREENBAUM then told MARK PAGE that her former membership in the Young Communist League did not make her a spy, to which MARK PAGE replied, "That's what you think." MARK PAGE, according to Mrs. GREENBAUM, further stated that the only way he could have been involved with JULIUS ROSENBERG was because he was supposed to have obtained some equipment for ROSENBERG at one time several years ago, and that there had been a fight over this matter and that PAGE had discontinued his friendship with ROSENBERG.

Mrs. GREENBAUM further advised that during the Spanish Civil War MARK PAGE had recruited numerous persons to fight for Loyalist Spain, but when she asked him why he didn't go to fight for Loyalist Spain, PAGE replied that he was much too important an individual and should remain in the United States to further his career.

Mrs. GREENBAUM also advised that her sister, LEONA RUDMAN, and her husband, MORRIS RUDMAN, had been at odds with the PAGES for several years. She also said that her sister, SYLVIA MARKOWITZ, had never been friendly with MARK PAGE and would have nothing to do with him. Mrs. GREENBAUM concluded the interview by saying that MARK PAGE had told her he could never be a traitor to the United States and that although she has no regard for MARK PAGE and no respect for his ideals, she does not believe he could be a "spy."

In regard to ALFRED M. WOLF, the following information was obtained from the Credit Bureau of Greater New York. Mrs. ALFRED WOLF is described as being about 60 to 63 years of age at the time of the report dated April 14, 1944, and is separated from her husband, ALFRED M. WOLF. She has a grown son about 25 years of age, who was known as SAMUEL WOLF. She has resided at 75 Central Park West for the past 10 years or more. Mrs. WOLF does not have any business or professional connections and her husband, from whom she is divorced, was in the brokerage line with Hallgarten & Company, 44 Wall Street, New York City.

A report dated June 12, 1950 set forth a new address for Mrs. ALFRED M. WOLF which was 675 Ocean Avenue, West End, New Jersey, and gave her former address as 75 Central Park West, New York City. A business address was given as Wolf and Company, 44 Wall Street, New York City. It was not shown whether this was Mrs. WOLF'S business or her husband's, from whom she is separated. The indices of the New York Office were negative in reference to Mrs. ALFRED M. WOLF.

It should be noted that the subject also contacted a SAMUEL S. WOLF of the H. Lehman Company, Inc., 374 Park Avenue, New York City, and it is possible that this is the son of Mrs. ALFRED M. WOLF.

NY 100-91484

Mr. ALLEN KRIEDEL of the Straus-Duparquet Company, 33 West 17th Street, New York City, was contacted and advised that they had no record of any contact with the subject, but it was his opinion that the subject must have applied for a position with them when they were looking for an engineer.

In regard to the following businesses that were contacted by the subject as reflected in the list above, there is no record concerning these companies in the indices of the New York Office:

Whitney's Shoe Center  
177 Martine Avenue

ESPIONAGE - R  
INTERNAL SECURITY ACT OF 1950  
(BuFile 100-332133)

DATE: November 16, 1950

Re Newark letter 8/30/50 requesting authorization to interview subject and Bulet 10/3/50 requesting other investigation prior to granting of authorization to interview subject.

Interview with Mrs. CELIA KEATING, Building Superintendent, 73 South Walnut Street, East Orange, New Jersey, where PAGE resides, reflected that PAGE is around the apartment during most of the time but that he occasionally goes out during the day. Mrs. KEATING does not believe that PAGE is presently employed.

During the course of a surveillance of PAGE he was surveilled to the Enterprise Tool and Manufacturing Company, 117 Sylvan Street, Newark, New Jersey where he stayed for a few hours. [REDACTED] The Enterprise Company reflected that the subject is not employed by that company but that he does come in now and then to do some work. It is believed probable that PAGE performs work of a consulting nature. No direct contact was made with the Enterprise Company. b7c

From November 6 through 10, 1950 a physical surveillance was maintained on PAGE every evening starting in the afternoon. It was observed that PAGE was home every afternoon at the time the surveillance was instituted and it appears therefore that PAGE is not employed at the time.

Newark confidential informants have been recontacted concerning PAGE and have not been able to furnish any information concerning recent CP activity on the part of the subject. Other sources of information have failed to reflect any CP activity on the part of PAGE. During the course of the physical surveillance mentioned above, PAGE was not observed to make any contacts with CP members or to attend any meetings nor was he observed to have any visitors. Therefore, it appeared that even though PAGE may still be a member of the CP he is not active at this time.

In view of the fact that if cooperative, PAGE will be of value in connection with the investigation involving JULIUS ROSENBERG, authority is again requested of the Bureau to authorize an interview with PAGE at the earliest possible date.

Interview of Page is authorized, and should be handled by two experienced agents familiar with the Julius Rosenberg espionage investigation. Page should be questioned thoroughly concerning his knowledge of and association with Rosenberg, and interviewing agents should bear in mind particularly the statement of Ruth Greenglass that Rosenberg told her he attempted to recruit Page into Russian espionage work. If information of a positive, probative nature regarding Rosenberg's Communist Party and/or espionage activities is secured from Page, it should be incorporated in a signed statement prepared in such a manner as to be admissible into evidence, if necessary, in the forthcoming prosecution of Rosenberg in the S.M.Y.

Unless Page is definitely hostile during the interview, it may also be possible to obtain valuable information from him concerning Communist Party activities in New Jersey, inasmuch as your division has established that he was a Communist Party member at least from 1938 to 1945.

**DETAILS:**

RUTH GREENGLASS, wife of DAVID GREENGLASS, convicted espionage agent, advised in interview September 14, 1950, conducted by SA JOHN A. HARRINGTON, that DAVID had told her that JULIUS ROSENBERG had told him that there was animosity between JULIUS ROSENBERG and MARK PAGE.

She also stated, however, that ETHEL ROSENBERG had taken her son, MICHAEL, to MARK PAGE's home in East Orange, New Jersey, at various times. A photograph of the subject was displayed to RUTH GREENGLASS but she did not recognize it and stated that she had never met him.

SAMUEL GREENGLASS, in an interview conducted by SA JOHN W. LEWIS September 12, 1950, at the New York Office, advised that he was a half brother of ETHEL and DAVID GREENGLASS. During the interview, the photograph of the subject was displayed to him, and he advised that the subject was an individual who had been introduced to him at the home of the ROSENBERGs at a party given on the occasion of the birth of ETHEL's first child.

He recalled that this man had been introduced to him as MARK and was told that MARK was in the exterminating business in Orange, New Jersey. He further stated that he was also told that MARK had some furniture at a place where JULIUS and ETHEL previously lived.

He recalled that the subject was at the party for about one hour and that during this time the subject agreed with JULIUS and ETHEL ROSENBERG in every point they made in a discussion of the newspaper, "The Worker" and concerning the general Communist Party line.

BERNARD GREENGLASS, the brother of ETHEL ROSENBERG, was interviewed at the New York Office by SAs JOHN W. LEWIS and EDWIN R. TULLY on October 5, 1950, at which time GREENGLASS advised that he recognized the photograph of MARK as an individual named MARK who was married to STELL MARKOWITZ and who had previously gone to school with JULIUS ROSENBERG. *Page 2*

He also recalled that MARK lives in Orange, New Jersey, where he is employed as an engineer of some sort. He stated that from his contact with MARK he was of the opinion that the subject was very arrogant. He could furnish no further information as to any activities of the subject.

Confidential Informant T-1, of known reliability, advised when shown the photograph of the subject that the man looked familiar but he could not recall or elaborate on the reason that he apparently knew this man. He could not, therefore, recall any Communist activities on the part of the subject.

NY 100-91484

Mrs. LEONA ~~RUDMAN~~ and Mrs. EMANUEL ~~GREENBAUM~~, sisters of the subject's wife, were contacted and advised that they did not recall any illness on the part of the subject's wife in 1948. The purpose in asking them concerning this illness was due to the fact that DAVID GREENGLASS, in interviews, stated that ROSENBERG had furnished quite a sum of money to one of his "boys" whose wife was sick in early 1948.

A check was also made of the "Blue Cross" Hospitalization records, 80 Lexington Avenue, New York City, but no record was found for the subject.

PURPOSE

To recommend that the New York Division be authorized to discuss with USA, SDNY, the refusal of subject to be interviewed by Agents, with a view towards bringing subject before GJ, SDNY.

DETAILS

As detailed in my memorandum 12-6-50, Ruth Greenglass informed Agents Julius Rosenberg had told her he attempted unsuccessfully to recruit subject into Russian espionage work. Recent investigation has disclosed that Rosenberg and subject are not now on friendly terms. Page was a Communist Party member in New Jersey at least from 1938 to 1948. On 12-15-50, when Newark Agents attempted to arrange an interview with him, Page advised Agents he had "nothing to say," and he refused to be interviewed.

In view of the allegations of Ruth Greenglass, together with subject's known background, it is suggested that the New York Office be authorized to discuss with USA, SDNY, Page's refusal to be interviewed so that the USA may consider the desirability of taking Page before a GJ in the SDNY.

RECOMMENDATION

That the New York Division be authorized to discuss the above-outlined situation with the USA, SDNY, for his consideration as to securing a subpoena for GJ appearance of subject; if you approve, there is attached a teletype so advising New York and Newark (origin).

Reurtel 12/16/60, advising that on 12/14/60, your office arranged telephonically with subject for interview of him 12/16/60, and that on 12/15/60, subject broke the appointment, advising agents "I have nothing to say."

You are requested to submit immediately your observations as to the desirability of having proceeded in the manner you did in attempting to interview Page. As pointed out in Bulet 12/6/60, Julius Rosenberg allegedly attempted to recruit Page into Russian espionage work; when that fact is considered with information developed by the New York Division that Page and Rosenberg are not now on friendly terms, the interview of Page obviously assumes considerable importance.

For the information of the New York Division, the following teletype was received by the Bureau on 12/15/50 from the Newark Division concerning its efforts to interview subjects:

"MARK PAGE, WAS. ESPIONAGE DASH R. REBULET TO NEWARK DEC. SIX FIFTY AUTHORIZING INTERVIEW OF SUBJECT. ON THURSDAY, DEC. FOURTEEN, TELEPHONIC ARRANGEMENTS WERE MADE TO INTERVIEW PAGE AT TWO O'CLOCK SATURDAY, DEC. SIXTEEN, AT HIS HOME, AFTER HE INDICATED HIS DESIRE NOT TO BE INTERVIEWED AT THE NEWARK OFFICE. AT APPROXIMATELY TEN FIFTY THIS DATE, PAGE TELEPHONICALLY CONTACTED THIS OFFICE AND ADVISED 'I HAVE NOTHING TO SAY.' WHEN APPRISED OF THE REASON FOR THE CONTEMPLATED INTERVIEW, PAGE STILL STATED 'I HAVE NOTHING TO SAY.' HE WAS ADVISED OF THE SERIOUSNESS OF THE CHARGE OF ESPIONAGE WHICH RESTED AGAINST ROSENBERG AND THE FACT THAT HIS REFUSAL TO BE INTERVIEWED INDICATED A DEFINITE DESIRE NOT TO COOPERATE WITH THE FEDERAL GOVERNMENT. The reference to "Glassman" in the last sentence of the above-quoted teletype apparently is in error, as it was Ruth Greenglass, not Vivian Glassman, who advised that Rosenberg attempted to recruit subject for Russian espionage. For the further information and guidance of Newark, the results of your attempts to interview subject, as reflected by reftel, should have been furnished to the New York Division inasmuch as the trial of Julius Rosenberg et al is now set for 1/4/51, and one of the principal reasons for interview of subject was to attempt to secure information of value for possible use in that prosecution.

With respect to your suggestion in reftel that the Bureau consider the advisability of attempting prosecution of Page for misprision of espionage, it would seem that the facts developed to date do not constitute sufficient basis for such a prosecution. As an indication of the views of the Department as to requirements for such a prosecution, the espionage case involving Thomas L. Black, was., with which you are familiar, can be cited. Inasmuch as Black admittedly received from Harry Gold considerable information re Gold's espionage activities, and had never reported such information to the proper authorities, the opinion of the Department as to prosecution of Black for misprision of a felony was submitted.

The Department expressed the opinion that Black's concealment from the authorities of his knowledge of Gold's espionage involvement was not sufficient to support a prosecution for misprision of a felony. It was pointed out by the Department that previous court decisions have held that an affirmative act of concealing evidence must be shown, and that mere concealment of knowledge of the commission of a felony is insufficient grounds for prosecution.

New York should keep the Bureau and Newark fully informed re the proposed appearance of subject before a GJ in the SDNY, it being noted that NY tel 12/19/50 advised that the USA, SDNY, is causing issuance of a GJ subpoena for subject.

TO: DIRECTOR, FBI

SUBJECT: MARK PAGE, wa.  
ESPIONAGE - R  
Bureau File 100-332133

Rebulet 12/26/50 requesting observations from this office as to the desirability of attempting to interview PAGE in the manner used.

By letter dated November 16, 1950 this office requested authorization from the Bureau to interview PAGE for any information he might be able to furnish concerning JULIUS ROSENBERG.

Bureau letter dated December 6, 1950 authorized interview with PAGE to be conducted by two experienced Agents.

As pointed out in rebulet, information had been received that PAGE and ROSENBERG are not now on friendly terms. No information has been received that PAGE engaged in espionage but on the contrary that he actually refused ROSENBERG'S request to participate. It was felt, therefore, that PAGE would not be hostile to interview; and even if not completely informative, would at least furnish routine background information on ROSENBERG.

It is further noted that PAGE has no regular employment and consequently would have to be interviewed at home or at the Newark office. This facts were considered together with the complexities of the ROSENBERG case, probable length of interview, and facilities available in the Newark office; and after discussion with the supervisor, it was felt desirable that the interview be conducted at the Newark office rather than at PAGE'S home where his wife and daughter would be present.

In view of the fact that the Bureau has received only sketchy information concerning this office's contacts with PAGE, the following information is being set forth:

On Thursday, December 14, 1950, telephonic contact was made with PAGE by Special Agent THOMAS M. O'CONNOR to whom this case is assigned. PAGE was told that his cooperation in a matter of importance was desired and he was invited to come to the Newark office.

PAGE stated that he would be glad to cooperate with the FBI but preferred to be interviewed at his residence and made an appointment for interview at his residence on Saturday, December 16, 1950 which was the earliest date that PAGE stated he would be available. This conversation was carried on very amicably. PAGE made no inquiry as to the nature of the information which he was desired to furnish and in view of this, no reason was volunteered to him.

On December 15, 1950 PAGE telephoned the Newark office and again spoke to Special Agent THOMAS M. O'CONNOR. At this time he stated that he did not wish to be interviewed saying that he had "nothing to say". At this time he was advised that his assistance was requested in the investigation of JULIUS ROSENBERG who was under indictment for espionage. (It is known that PAGE was aware of ROSENBERG'S indictment for espionage). He again declined saying that he had "nothing to say".

It was pointed out to him that the Federal Government was requesting his cooperation in an important matter. He again declined interview.

At no time during these conversations was any indication given to PAGE that the Bureau was interested in any way in his own activities but that the Bureau was only interested in any assistance he could give concerning the investigation of ROSENBERG.

PAGE would not elaborate on his reason for his refusal to be interviewed.

Information concerning W. L. HERMES and Mrs. IRVING COHEN who corresponded with the subject set forth. Interview of Dr. MAX LICHTEL HART who formerly treated subject set forth.

- R U C -

**DETAILS:**

Confidential Informant T-1, of known reliability, advised that the subject had received correspondence from W. L. HERMES, 106-15 Queens Boulevard, Forest Hills, New York.

Superintendent J. GRISCTI of the building located at 106-15 Queens Boulevard, Forest Hills, New York, advised that a family by the name of HERMES resides in the building and consists of the father, PAUL HERMES, and a son, W. L. HERMES. He advised that the son, W. L. HERMES, is almost deaf and to his knowledge is not presently employed. He could furnish no information concerning the family except that they were good tenants and never seemed to have too much company.

The Credit Bureau of Greater New York was checked against the name W. L. HERMES, and no record was found.

NY 100-91484

The indices of the New York Office were searched against the name W. L. HERMES and PAUL HERMES and nothing was found under these names.

The same informant advised that the subject received correspondence from Mrs. IRVING COHEN, 109 Ocean Front, Long Beach, New York.

The name Mrs. IRVING COHEN was checked with the Credit Bureau of Greater New York and no record was found under this name in connection with the above address.

The following investigation was conducted at Long Beach, New York by SA GARTH GRAY:

b7D  
[REDACTED] United States Post Office, Long Beach, New York, advised that there is an Ocean Front Street in Long Beach but the numbers start at 1000.

b7D  
[REDACTED] checked the change of address book under the name of IRVING COHEN from Ocean Front Street and from Ocean View Street with negative results.

The address 1095 Ocean Front Street was checked inasmuch as 109 Ocean Front is apparently an incorrect address, and the owner of 1095 Ocean Front Street is J. J. BOWE. This is a summer home and is closed at present. The address of J. J. BOWE is 437 Ogden Avenue, West Englewood, New Jersey.

It should be noted that the area of Long Beach is a seaside resort with many visitors during the summer who never submit a change of address. Therefore, no further investigation was conducted to locate Mrs. IRVING COHEN.

Dr. MAX LIONEL HART, 6345 Wetherole Drive, Rego Park, New York, was interviewed on November 1, 1950, and November 20, 1950, by SAs RICHARD A. MINNAN and STUART J. CAMERON.

Dr. HART advised in reference to the subject and his wife that they were former patients of his and that MARK PAGE's name was originally POGARSKI and his wife's maiden name was MARKOWITZ. MARK

NY 100-91484

He stated that he knew of no information concerning the PAGES and his relationship with them has been strictly professional. He did recall that the PAGES had originally recommended the ROSENBERGS (JULIUS and ETHEL, presently under indictment for espionage).

The PAGES, according to Dr. HART, visited him originally in 1935 or 1936 and were his patients until they moved to Orange, New Jersey, about five years ago. In reference to the first visit of the PAGES, Dr. HART advised that he had been acquainted for many years with Mrs. BERTHA ESKIN, whose maiden name he believed to be FIERSTER, and is presently residing at 1444 Park Place, Brooklyn, and it was Mrs. ESKIN who originally recommended the PAGES.

~~FIERSTER~~

In the way of background, Dr. HART stated that Mrs. BERTHA ESKIN has a brother-in-law, SHARFIN, who was [REDACTED] about ten years ago. Furthermore, he believed that Mrs. STELLA FACE is a cousin of SHARFIN's wife. b7c

It should be noted that in an application for a clerical position with the Federal Bureau of Investigation dated October 24, 1941, filed by HELENE ELITCHER, nee HELEN STERNBERG, the name of BERTHA ESKIN, 1444 Park Place, Brooklyn, was listed as a reference.

Confidential Informant T-2, of known reliability, on December 23, 1947, advised that one BERTHA ESKIN, born 1917, was a member of Lodge 514, International Workers Order, New York City, as of December 1946.

The International Workers Order has been designated by the Attorney General as coming within the purview of Executive Order 9835.

It should be noted also that HELENE ELITCHER is the wife of MAX ELITCHER who advised Bureau Agents of being approached by JULIUS ROSENBERG in 1944 and several other times during the next four years for confidential information to be furnished to the Soviet Union.

On December 21, 1950, DAVID GREENGLASS, self-confessed espionage agent, advised that he had never heard of BERTHA ESKIN or her brother-in-law, ARTHUR SHARFIN. The photograph of ARTHUR SHARFIN was not familiar to GREENGLASS. He advised that he understood that Mrs. MARK PAGE, before her marriage had been a fiancée of Dr. MAX HART, and that ETHEL ROSENBERG had first gone to Dr. HART upon the recommendation of Mrs. MARK PAGE.

On January 12, 1951, RUTH GREENGLASS, wife of DAVID GREENGLASS, advised that she had never heard of BERTHA ESKIN or ARTHUR SHARFIN.

It should be noted that the subject appeared before the Grand Jury, Southern District of New York, on January 31, 1951 and again on February 7, 1951, at which latter date the subject's wife also appeared before the Grand Jury.

DIVISION OF EMPLOYMENT SECURITY, Trenton, New Jersey

J. RICH has been identified in the details of this report.

The New York Office has previously reported and identified W. L. HERNS and Mrs. IRVING COHEN.

The records of the Credit Bureau of Greater Newark, Incorporated 24 Branford Place, Newark, New Jersey reflect that ALFRED J. AMMERMAN presently resides at 31 No. 9th Street and formerly resided at 53 New Street, East Orange, New Jersey. These records reflect that he is employed with the Motor Fuel Division of the New Jersey State Tax Department, 1060 Broad Street, Newark, New Jersey. He is described as white, married, middle-aged, wife (ELIZABETH C.) dependant. He resided at the address in East Orange for 17 years and is employed as an inspector. Prior to this employment which was obtained in April, 1940, he had been employed as a bookkeeper with the U. S. Treasury Department, State Accounts Office, 1060 Broad Street, Newark, New Jersey for one year. He had for many years previous to that been engaged in YMCA work. The files of the Credit Bureau contain nothing on W. WILSON RYNO. However the latest Newark City Directory, which is for the year 1947 lists W. WILSON RYNO as a manufacturer's agent with offices in rooms 306-7, 1060 Broad Street, Newark, New Jersey and that he resides at 37 Belgrade Terrace, West Orange, New Jersey. There was no information in the files of this office concerning AMMERMAN or RYNO.

Mr. ADAMSON of the ELECTRONICS ASSOCIATES INCORPORATED, Long Branch, New Jersey, who furnished information which is reported in the details of this report, advised that he believed that the subject had been referred to his company by the Technical Service Agency, Incorporated, 217 Broadway, New York, New York by their agent, H. W. PALEN.

b7D  
[redacted] of the Fidelity Union Trust Company, East Orange, New Jersey, advised that the subject and his wife had a joint checking account which was opened in January 1942. This account was closed in 1944, at which time the subject opened a Special Checking Account, which was again changed to a Regular Checking Account in February, 1946. He further advised that the subject also has a savings account which was also opened in 1942. In addition, [redacted] advised that the January 31, 1951 balance of the checking account was \$414.99 and that of the savings account was \$767.18. He advised that the

b7D

NK 100-23881

check account reflects normal activity. These accounts reflect that the savings account was opened on January 13, 1942 with an initial deposit of \$125.67. As of May 22, 1943 balance in this account was \$1,937.74. The largest balance for this account was as of July 5, 1944, at which time it was \$3,720.19. The largest deposit noted for this account was \$1,576.00 on December 1, 1948, which made the balance at that time \$2,378.54.

b7D [redacted] advised that the Special Checking Account was opened on October 30, 1944 with a balance of \$223.16. It was closed on February 26, 1946 and the highest balance for this account was \$247.29 on February 27, 1945. He advised that the Regular Checking Account of the subject was first opened on January 22, 1942, with a deposit of \$250.00, that the highest balance prior to the opening of the Special Account was \$565.21. The Regular Checking Account was reopened on February 23, 1946 with a deposit of \$720.09. It might be noted that in August of 1950 subject made the following deposits in his checking account: \$250 on August 1st; \$450 on August 8th; \$950 on August 28th, at which time the balance of this account was \$1,145.51. In connection with this account,

b7D [redacted] advised that the bank has no photographs of checks which were drawn on the subject's accounts. However, he advised that the bank does have photographs of checks which were deposited to this account and which were drawn on out of town banks, which he explained would have been on banks other than those in the Newark metropolitan area. He advised that they would have no photographs of checks deposited and drawn on local banks.

He further advised in this connection that the Fidelity Union Trust Company has fourteen branch banks and that all checks from all of these branch banks are photographed in a group and filed in the main office without any breakdown. He advised that in order to locate any particular check, it would be necessary to review the film of all the checks forwarded from all of these branch banks for any given date.

In referenced report, the Buffalo Office was requested to identify subscriber to telephone number Delaware 7985 at Tonawanda, New York. Buffalo office has advised this number is listed to ALVIN C. BENNET who was employed as a railroad mail clerk and that in view of his government employment, no additional investigation was being conducted concerning him.

The following physical surveillance was conducted on the subject on the following dates: August 18, 19, 20, and November 6, 7, 8 and 9th. Nothing pertinent was developed with the exception of the following:

On August 18, 1950, Special Agent DONALD G. HARRIS and the writer observed the subject depart his residence at 10 A.M. and proceed in his automobile to the ENTERPRISE TOOL AND MANUFACTURING COMPANY, 117 Sylvan Street, Newark, New Jersey. [redacted] the ENTERPRISE TOOL AND MANUFACTURING

NK 100-23881

COMPANY, it was reflected that the subject is not employed by that company, but that he does come in now and then to do some work. It is felt possible that it is from this company that PAGE carries on his work in connection with the MOTHER-CRAFT COMPANY.

On August 20, 1950, Special Agent HARRIS and the writer observed the subject depart his home in company with his wife at 10:05 A.M. and proceed in his automobile to Stokes State Forest, New Jersey, to a cabin located on a dirt road with a sign reading "Criss Trail - Cabin 15", where he arrived about 2:35 P.M. PAGE, accompanied by a man driving a car bearing 1950 N.J. licenseplates EG 85 B, went fishing for a couple of hours at a nearby lake shortly after arriving at the cabin.

During this period of time, the surveilling agents observed the subject's car parked among a group of cars, which in turn were parked between several cabins. These cars bore the following license tags and were registered to the following individuals:

EG 72 P HAROLD J. JOHNSTON, 77 No. 16th St., East Orange, N. J.

JR 92 Y ISADORE FREUND, 9 No. Oraton Parkway, East Orange, N. J.

EZ 84 Z VINCENT J. FERRANTI, 28 Grafton Ave., Newark, New Jersey

VP 66 M TONY CARLONE, 15 River Road, Chatham, New Jersey

VJ 45 W PAUL MARTIN, 435 South Street, Morristown, New Jersey

EG 85 B ELSIE FREUND, 9 No. Oraton Parkway, East Orange, New Jersey

The files of this office contained no information on these individuals.

The subject departed Stokes State Forest on August 20, 1950 at approximately 5:25 P.M. and returned to his residence in East Orange, New Jersey.

The results of the physical surveillance on November 7, 1950 are contained in the details.

On November 8, 1950, Special Agents JOHN R. BRETT, E. C. JONES, THOMAS E. KELLY and the writer observed the subject depart his residence in his automobile at 7:40 P.M. and proceed to Stevens Institute of Technology, Hoboken, New

NK 100-23881

Jersey, arriving at 8:30 P.M. He was observed leaving the Graduate School of Stevens at 9 P.M. and return home, arriving at 9:50 P.M.

By teletype dated January 23, 1951, the New York Office advised that MARK PAGE was to be subpoenaed to appear before the Grand Jury, New York City on January 31, 1951.

T-1, of unknown reliability, but who was generally acquainted with the members of the Engineering Group of the Young Communist League, City College of New York, during early 1937, informed that MARK PAGE, aka Mark Pograsky, was an active member of the Engineering Group of the Young Communist League at the City College of New York, for at least the first six months of 1937, and was of the opinion that PAGE had subsequently "graduated" from the YCL to the Communist Party. T-1 was unable to furnish any definite information in this connection, but had formed this opinion from hearsay and because PAGE was a close associate of JULIUS ROSENBERG, Executive Secretary of the entire YCL Branch at CCNY. With respect to meetings of the Engineering Group of the YCL at CCNY, T-1 stated that no effort had been made to disguise the Communist character of the club, and that discussion had centered around support of the Loyalist forces in Spain, the organization of a strong "anti-Fascist" front, and efforts to have the YCL group infiltrate and gain a controlling position in various "legitimate" student organizations, including the CCNY newspaper and various scientific and engineering societies, such as the Federation of Architects, Engineers, Chemists, and Technicians Chapter at CCNY. According to T-1, MARK PAGE took a very active part in discussions and was instrumental in organizing the activity of the YCL.

It is noted that the Young Communist League has been designated by the Attorney General as within the purview of Executive Order 9835.

MARK PAGE, aka

ESPIONAGE - R  
Newark 100-23881

Reference is made to the reports of Special Agent John R. Lyons dated August 2 and June 21, 1951, at Newark in the above-captioned matter.

It is noted that the title of this case was set forth in refreps as Mark Page, wa. Marcus Pogarsky. A review of the various reports previously submitted in this case has failed to reveal any information indicating that the name Pogarsky was ever used as an alias by this subject. However, according to the records of the Department of Health, New York, New York, it appeared that subject was born in New York City on November 15, 1918, under the name Marcus Pogarsky; further, that on September 24, 1940, he had his name legally changed to Mark Page.

In view of the foregoing it appears that the indicated alias, Marcus Pogarsky is in error and it was intended to be Marcus Pogarsky. In the event this alias is in error you should immediately so advise the Bureau and the other offices receiving copies of refreps so that an appropriate correction can be made in their files. Further, it is suggested that in such case all future reports should be carried under the above caption in view of the fact that subject's name was legally changed and his previous name should therefore not be set forth as an alias.

It should be noted that the subject received a letter from the Forecaster Company on 6/16/51.

In reference to IRVING COHEN from whom the subject received correspondence sometime during the last week in May or the first week in June 1951 with the return address 1845 52d Street, Brooklyn, it was ascertained by a telephone call to the IRVING COHEN located at this address that all phone calls for Mr. COHEN were being received at the newspaper office of the "Brooklyn Eagle," Brooklyn, New York.

Mr. VINCENT SHERIDAN, Personnel Manager of the "Brooklyn Eagle," advised that IRVING COHEN was employed at their office as a rewrite man and as far as his knowledge of Mr. COHEN was concerned, his reputation was excellent.

The investigation concerning the above-named individual has developed information indicating that Page entered the Communist Party around 1935 and that, through a highly confidential source known to the Bureau, it was determined that he was a member of the Orange Branch of the Communist Party, Essex County, New Jersey, as of December 10, 1943.

In view of this information, it is desired that an immediate check be made through the various known places of employment of Page to determine whether he has ever executed a Personnel Security Questionnaire by reason of his being engaged in classified work in behalf of the armed forces. Any such PSQ's, if located, should be examined and photostatic copies thereof made available to the Bureau. It is pointed out in that respect that Page's answer to the usual question as to his organizational membership on such PSQ's might be of interest in connection with this matter.

In addition, it is desired that appropriate inquiry be made at any of these places of employment where he is known to have engaged in classified work to determine the exact nature of the classified projects and material to which he may have had access. Such information may be of considerable value at some future date in the event of further developments in connection with the investigation of the Rosenberg related cases.

You should give this matter your immediate attention.

This letter purports to advise Mr. MARK PAGE that the authorized dealer of the Leslie Welding Company in the New Jersey area is the Carol Machine and Tool Company, Post Office Box 300, Ramsey, New Jersey. Mr. LESLIE explained that the above letter is a form letter that they send out in answer to responses made by individuals concerning the products Leslie Welding Company manufactures for sale. He explained that MARK PAGE did not address the Leslie Welding Company directly. He stated that MARK PAGE made inquiry of the Leslie Model "A" hand punch press in response to an advertisement appearing either in the "Tool and Dye Journal", a magazine published at 2935 Charlevoix Avenue, Detroit, Michigan, or in "Metal Working", a magazine published at 60 East 42nd Street, New York City, New York. This inquiry was addressed by MARK PAGE to the magazine in question.
